

RATIFICATION OF THE PEACE TREATY SEEMS HOPELESS

Pact Almost Sure to be Thrown Into Campaign

ALL DAY DEBATE IN SENATE

(By The Associated Press)
WASHINGTON, Feb. 20.—The question of party responsibility for the peace treaty deadlock was thrashed over in militant fashion on the senate floor today with both Republicans and the Democrats seeking to wash their hands of the senate's failure to act and of any consequences in the political campaign.

Altho both sides professed an earnest desire to compromise and scrambled for the credit for past compromise efforts, there was a note of hopelessness in the discussion. The treaty's irreconcilable opponents told the opposing party leaders they might as well put the question of ratification out of their minds and turn the senate's attention to the business of legislation.

Senator Hitchcock of Nebraska, the Democratic leader started the flare up by a speech denying charges that the Democrats wanted the treaty in the campaign. He asserted that his party had gone "nine tenths of the way to a compromise and that the Republicans had stood solidly for acceptance of their own reservations without the dotting of an 'i' or the crossing of a 't'."

It was the minority, he declared, who had instigated the bi-partisan movement and who now had submitted two compromise articles ten reservations which many Republican senators believed were identical in substance with the Lodge resolution on that subject. Claiming credit for the Republicans in the initiation of the bi-partisan conference Senator Lenroot of Wisconsin a mild reservation Republican charged that the Democratic leader had stood out against compromise and determinedly that the Republicans were driven to agree upon the best compromise they could among themselves.

Senator Borah, Republican, Idaho, speaking for the irreconcilables, declared the two sides were no nearer agreement than they were when the league of nations debate began a year ago tomorrow and that further discussion was only a waste of time. The treaty, he said, already was so far into the campaign that "you can no more keep it out than you can stop half way over Niagara."

The disagreement over what occurred in the bi-partisan conference arose when Senator McKellar of Tennessee, one of the Democratic conferees, asserted that all of the nine senators except Senator Hitchcock and Senator of Massachusetts the Republican leader had virtually agreed to one of the Article Ten substitutes formally indorsed since by forty Democrats.

The statement was denied categorically by Senators New of Indiana and Lenroot, who were Republican members of the conference. Senator Hitchcock said it always had been the Democrats who offered compromise and the Republicans who refused it.

"We are not afraid of the issue in the campaign, but we do not propose to be placed in the position of blocking ratification of this treaty if it can be ratified," said Senator Hitchcock. "The country demands that senators yield and compromise. We are ready to compromise."

"It seems to me that should absolute us on any charge that we are blocking compromise and trying to force the issue into the campaign."

Senator Lenroot, Republican of Wisconsin declared that up to the moment of taking a vote upon the Lodge reservations last November the Nebraska senator had refused to consider any compromise proposition.

"I hope the senator won't put me in that attitude," Senator Hitchcock interrupted.

"But it is the truth," was the reply.

In the midst of the debate, Senator France, Republican of Maryland, an irreconcilable, introduced a resolution to declare immediately a state of peace, to provide for the withdrawal of all American troops from foreign soil and to appropriate \$15,000,000 to pay expenses of a world conference which would be held in Washington to discuss formation of a peace league.

SEEK TO INCREASE CAPITAL STOCK
Springfield, Illinois, Feb. 20.—The Tri-City Railway company today applied to the state public utilities commission for permission to increase its capital stock \$195,000 for the purpose of purchasing all property, tracks and the franchise of the Moline, Rock Island and Eastern Traction company.

WILSON'S REPLY ON ADRIATIC DISPUTE WILL BE SENT TODAY

State Department Officials Refuse to Discuss Contents of Document

(By The Associated Press)
WASHINGTON, Feb. 20.—President Wilson's reply to the entente premiers on the Adriatic question probably will go forward tomorrow. Acting Secretary Polk continued to study it today and after it has been put in the usual diplomatic form and has been approved finally by the president it will be coded and put on the cables.

State department officials still steadfastly refused to discuss the contents of the document, but a feeling of satisfaction was noticeable in administration circles and it was generally understood that Mr. Wilson had made an unequivocal statement of the American government's position. While further exchanges on the subject are expected it is believed that with the delivery of the president's note by Ambassador Lavis at London the question will have been removed from the argumentative stage.

Altho the premiers have forwarded to Jugo-Slavia in the form of an ultimatum the settlement arrived at without the participation of the United States, it is said they have not closed the way to a return to the Paris agreement of December 4 to which the United States was a party.

Officials here plainly do not regard the situation as at all acute nor do they believe that a condition will arise in which the United States will have to consider whether it can become a party to the treaty of Versailles. It was definitely settled today that the exchanges will not be made public at least by the American government until after the president's note has been delivered to the allies. Whether they will be given out then depends upon the wishes of the British, French and Italian governments.

WOULD AMEND VOLSTEAD ACT

WASHINGTON, Feb. 20.—Amendment of the Volstead prohibition enforcement act, so as to permit the states, by referendum to authorize sale of 2.75 percent beer and 10 percent wine was proposed in a bill introduced today by Representative Minahan, Democrat, New Jersey.

"My bill," said Mr. Minahan, "merely provides for a sane, reasonable and logical method of enforcing the prohibition constitutional amendment."

"It is utterly repugnant to the American spirit to impose arbitrary and rigid restrictions, as to their personal habits upon the American people in a particular community which are manifestly contrary to the wishes of the people of that community."

LOWDEN FIGHTING HIGH COST OF LIVING

CHICAGO, Feb. 20.—Governor Frank O. Lowden, of Illinois is wearing his old overcoat as part of the campaign against high prices. Mrs. L. K. Bowen, chairman of the women's division of the fair price commission of Illinois announced this today, telling the following incident:

"Governor and Mrs. Lowden were in the elevator of a Chicago hotel two weeks ago when Mrs. Lowden told him that his overcoat she knew was three years old that it was becoming shabby, and that he ought to buy a new one. The governor said he knew it, but that he intended to continue wearing the old coat as a matter of principle. He said that if everyone who would wear old clothes the demand would fall off until prices came down."

UNEARTH TWO MOONSHINE STILLS

CHICAGO, Feb. 20.—Two stills, 1,000 gallons of grape-raisin wine, and several hundred gallons of moonshine whiskey were unearthed and three men were caught last night when the sheriff at Princeton, Ill., raided two bootlegging establishments, Major Dalrymple, prohibition officer for the central states announced today.

Mr. Dalrymple has dispatched agents to Princeton to take charge of the stills and liquor and prosecute the prisoners.

'ROMISE PROTECTION FOR AMERICANS

CONSTANTINOPLE, Feb. 17.—Americans in Asia Minor, especially in districts where there has been fighting recently have been protected under orders from the commanders of Turkish nationalist forces, according to a telegram received from the headquarters of Mustafa Kemal Pasha at Angora.

A message received from the commander at Marash by Mustafa Kemal was forwarded to city. It demanded that clear proofs be gathered of the deaths of James Perry, and Frank S. Johnson of the American Y. M. C. A. near Aintab.

STEAMER HITS MINE
Paris, Thursday, Feb. 19.—The steamer Danube struck a mine in the Black Sea, thirteen miles off Cape Ramli on the European shore at the entrance to the Bosphorus today. 13 persons on board being killed by the explosion.

7,000,000 U. S. FARMERS ENTER POLITICAL ARENA

Plan to Take Active Part in Coming Campaign

WILL DRAW UP PLATFORM

(By The Associated Press)
WASHINGTON, Feb. 20.—With the appointment of a committee of seven prominent farm organization leaders representing seven million to draw up a "platform," the American farmers' organization as represented in the National Board of Farm Organizations served notice today on present and prospective presidential candidates that they are determined to participate actively in the coming campaign. The platform will comprise questions designed to bring out unmistakably the attitude of each candidate upon matters which agriculturalists consider of paramount importance.

C. S. Barrett of Georgia, president of the National Farmers' Union, was named chairman of the committee the other members being T. C. Atkeson of West Virginia, representing the national granges; Clifford Pinchot, Pennsylvania, of the Pennsylvania Rural Progress Association; J. B. Houston, Wisconsin, secretary of Wisconsin Society of Equity; W. W. Drummond, Oklahoma International Farm Congress; R. D. Cooper, New York, dairy-men's league; and J. R. Howard, Washington, American farm bureau federation.

"The committee, if I understand the temper of organized agriculture," Chairman Barrett said "will demand a most comprehensive and unmistakable statement of the position of each candidate on questions especially relating to agriculture. The farmers will not submit to camouflage; more over the committee will try to determine before submitting its findings to the farmers just what ability a candidate may have to carry out his pre-election promises. We must get behind a strong faithful long visioned man. None other will suit."

The conference adopted resolutions asking the early appointment of an American delegate to the international institute of agriculture at Rome to succeed the late David Lubin; approved the Capper-Hersman bill restoring to farmers the right of collective buying and selling; expressed confidence in the federal trade commission in connection with the imminent investigation of that body and petitioned congress to amend the farm loan act to increase the maximum loan from \$10,000 to \$25,000. The invitation from Sir Horace Plunkett as representative of Irish farm organizations that a delegation attend an international congress on agriculture at Dublin during the present year, was accepted.

Senator Poindexter of Washington attending the conference this afternoon characterized farming as the greatest industry of the nation and congratulated the national board upon its decision to erect a permanent home in the capital where its members could keep in close touch with the government.

Maurice McAuliffe, president of the Farmers' Union of Kansas, said the cooperative ventures of farmers in the United States already handled business of one billion dollars annually and should easily increase to six times that figure within a decade.

Discrimination against cooperative farm organizations by railway managers already has become pretty general, especially in the west. C. O. Drayton of Illinois, president of the National Farmers Equity Union told the conference. He announced that he would file a formal complaint with Director General Hines and would support his charge with affidavits from scores of exchanges connected with organizations.

Discriminations by railroad organizations, he said, has been felt chiefly in the allotment of cars.

THREE GIRLS INJURED

New castle, Pa., Feb. 20.—Three girls were injured and three small buildings of the Conit Powder Co. were burned here today following an explosion of the works caused when a stove was upset in one of the buildings and fire spread to the others. The loss is estimated at \$5,000. Six girls ran home after the explosion and it was first reported they had been killed.

COAL PROPERTIES SOLD

PANA, Ill., Feb. 20.—The central Illinois coal properties of the Chicago and Eastern railroad company were sold today to George G. Vantuyt, representing the Illinois and Indiana Coal corporation, for \$2,935,000. The deed transferring the property was filed here this morning.

WILSON EXPLAINS SHIP SITUATION TO SENATE

WASHINGTON, Feb. 20.—President Wilson flatly denied today in a formal communication to the senate that he had any agreement or understanding with British officials regarding disposition of the fleet of former German liners around which, since they were offered for sale by the shipping board has raged a controversy into which congress, courts and government agencies have been drawn.

"There is not nor has there been any agreement or understanding between the president of the United States and officials of Great Britain concerning the sale of the ex-German vessels in possession of Germany in question," Mr. Wilson said responding specifically to a resolution by Senator Brandegee, Republican, Connecticut, adopted by the senate, "nor is there any agreement as to what disposition shall be made of these ships by the United States."

"I believe the above information fully answers the senate inquiry."

At the same time, however, and "in order that the senate may be in possession of all the information there is in any way relating to the vessels in question," the president transmitted a copy of a hitherto unpublished tentative agreement reached in Paris that Germany eventually would be credited before the reparations commission should congress approve, with any surplus valuation of the ships in excess of merchant tonnage losses of the United States during the war. In no case would title to the ships themselves pass from the United States the agreement provided.

Before Mr. Wilson's message reached the senate the commerce committee had decided to recommend passage of the bill drawn by its chairman, Senator ones, Republican, Washington, deferring sale of the ships until they shall have been refitted for commercial service by the shipping board and congress shall have laid down a national shipping policy.

The proposed agreement transmitted by the president was signed in May 1919 by Premier Lloyd George and Mr. Wilson.

The president's signature however, was made conditional on an appended "explanation" that it was subject to the approval of congress.

In transmitting the document the president said he had intended to send it to the senate after ratification of the peace treaty.

The agreement covered all vessels captured, seized or detained by any of the allied associated governments.

Officials recalled that it was drawn up after a controversy between Lloyd George and Mr. Wilson in which the British proposal that all captured, seized or ceded enemy ships be pooled and re-allocated on the basis of tonnage losses was opposed by the president, the resulting tentative understanding being made public today for the first time.

The document contains five classes and the essence of its application to the thirty ships involved in the present controversy lies in paragraphs two and four. The first provides that all enemy craft captured, seized or detained, before the armistice as war measure shall be retained by the holding power. The fourth section provides that where the valuation of such retained tonnage, specifically in the case of Brazil, China, Cuba, Siam and the United States, exceeds the value of tonnage lost, a reasonable value for such excess shall be determined and that amount paid to the reparations commission "for the credit of Germany towards the sums due from her for reparation in respect to war losses of merchant ships."

At the direction of the president an appraisal of the vessels was made by the secretary of the navy when they were taken over in June 1917. According to published reports the navy's appraisal of ninety-five vessels aggregating 630,000 gross tons was \$24,193,190.

"We take the ships absolutely title free" Chairman Payne of the shipping board explained, "and when we come to settle with Germany we put in the common pool the difference between our losses and the appraised value of the ships."

Sale of former German cargo vessels by the shipping board will continue, Chairman Payne announced tonight, as action of the senate commerce committee and the temporary injunction granted William Randolph Hearst apply only to the thirty passenger ships.

Bids have been invited by the board for purchase of 25 freight carriers aggregating 100,332 deadweight tons. Up to the present 23 ex-enemy cargo carriers have been sold by the board.

PEARY, DISCOVERER OF THE NORTH POLE, DIES AT WASHINGTON

Admiral Had Been in Failing Health for Two Years, and End was Not Unexpected

WASHINGTON, Feb. 20.—Rear-Admiral Robert E. Peary, retired, discoverer of the North Pole, died at his home here early today after a two year's illness of pernicious anemia, during which thirty-five blood transfusions had been of no avail. Sailors, attaches of the naval hospital and many ex-service men gave of their blood during that period in the vain effort to prolong the life of the country's foremost explorer.

It had been known to the explorer's family for weeks, but kept from the public that his life was despaired of, but no one thought the end so near and his sudden death was unexpected. He probably will be buried in Arlington National Cemetery with the full naval honors of his rank.

Admiral Peary was 64 years old when he entered the navy as a civil engineer on October 26, 1881. He was assistant engineer Nicaragua ship canal, under Government orders 1884-85. Returning to the United States he became interested in Arctic explorations and 34 years ago he made his first trip to the north, making a reconnaissance of the Greenland inland ice cape east of Disco Bay. In June 1891 he led his first big Polar expedition, being head of the Arctic expedition of the academy of national science, Philadelphia.

VALUATION OF STATE PROPERTY SHOWS INCREASE

Full Value of all Property Over Eight Billion Dollars

COMPARATIVE FIGURES GIVEN

(By The Associated Press)
SPRINGFIELD, Ill., Feb. 20.—The full valuation of all property in Illinois, as fixed by the state tax commission, was increased \$342,096,656 in 1919 over the 1918 valuation according to a compilation of assessments made public today by Frank F. Noleman, chairman of the commission. There was an increase of \$1,484,090,521 in the assessed value in 1919 over the previous year. This considerable increase is accounted for by the fact that the basis of valuation was changed by the last legislation from one third to one half of the full value.

The commission's figures show the following comparison between the years 1919 and 1918:

Full value of all property in the state for 1919 \$8,220,349,814.

Assessed value in 1919, \$4,110,174,907.

Full value of all property in the state for 1918 \$7,878,253,158.

Assessed valuation 1918 \$2,626,084,386.

Increase in full value in 1919 over 1918 \$342,096,656.

Increase in assessed value 1919 over 1918, \$1,484,090,521.

The full value of capital stock, other than railroads, assessed throughout the state by the tax commission in 1919 was \$70,058,570 and the assessed value was \$35,029,285. These figures show a decrease in the full value of \$9,807,627 from the figures of 1919 but an increase in the assessed value of \$8,406,886. Deducted from the full value as fixed by the state board of equalization in 1918, however, is the amount of \$22,878,000 which was either abated by injunction proceedings or the assessments were against non-existing corporations on which no taxes could be collected.

The full value of capital stock assessments on steam and electric railroads in 1919 was \$7,460,000 and the assessed value \$3,737,000. This was increased in full value in 1919 of \$988,827 over the previous year and an increase of \$539,681 over the 1918 figures.

Regarding the corporation assessments Mr. Noleman says:

"The class of corporations whose capital stock is within the jurisdiction of the tax commission is largely public utilities such as street railways, gas and electric companies. The stocks and bonds of these companies, as well as the stocks and bonds of steam railroads, have shown a marked decline in the market for the year ending April 1, 1919, and this necessarily resulted in the valuation of their capital stock at a less amount than it was valued in previous years. In addition to this, in nearly every instance, the assessed value of the tangible property of these companies was increased in 1919 by the local assessor over the assessments in the previous years."

SUPERVISION OVER PACKERS FAVORED

Washington, Feb. 20.—Increased government supervision over the packing industry was recommended to the senate today by Senator Gronna, Republican of North Dakota, in reporting favorably the Kenvon-Kendrick bill as reauthorized by the agriculture committee.

Under its provisions a federal livestock commission would be created to supervise the packers, livestock markets and market agencies, and the packers would be prohibited from dealing in foodstuffs other than livestock products which competition would be lessened; from appropriating territory or arranging or agreeing to control prices and from driving competitors out of business. It would also require them within two years after final passage of the bill to relinquish ownership or interest in stock yards.

FINED \$500 FOR CIRCULATING REP PROPAGANDA

Hammond, Ind., Feb. 20.—Michael Yelovitz was fined \$500 and costs in the Crown Point criminal court today for circulating literature advocating the overthrow of the government during the steel strike at Gary. This was the first conviction under the new Indiana law against distribution of radical literature.

STETCHER DEFENDS TITLE

NEW YORK, Feb. 20.—Joe Stetcher, world heavy-weight catch-as-catchan wrestling champion threw Jim London, Greek champion here tonight with a wrist lock hold after wrestling 2 hours 15 minutes and 35 seconds.

POINCARÉ HONORED

PARIS, Feb. 20.—Raymond Poincaré has been named French delegate on the reparations commission. He succeeds Charles C. A. Jonart, who resigned from the commission recently.

HOUSE MILITARY COMMITTEE APPROVES UNIVERSAL TRAINING

Army Reorganization Bill Would Make Plan Effective July 1, 1922

(By The Associated Press)
WASHINGTON, Feb. 20.—Universal military training as a part of the future military policy of the United States was approved in principle today by the house military committee which decided by a margin of two votes that the army reorganization bill should make provision for such a plan, effective July 1, 1922.

The close committee vote of 11 to 9 coming as a climax of a three hour debate in executive session was regarded as indicative of the bitter fight to be made in the house later when the reorganization measure gets the right of way.

Opponents of universal training despite today's defeat confidently predicted they would win out when the proposal reaches the house. The sale also must vote on the troublesome universal training question as its reorganization bill now pending, includes such a provision.

Opponents of universal training during debate in the committee declared reporting of the proposal was usually because of the Democratic caucus having gone on record against it and with many Republicans including floor leader Mondell openly against the scheme. Opinion as to the country's reception of the plan varied with the sentiment of its supporters and opponents.

No details of the plan were disclosed on by the committee, this being referred to a sub-committee the majority of whom oppose the plan in principle.

With the committee decision as to universal training out of the way the substance of the army reorganization bill was practically completed. The main question awaiting settlement is the future of the national guard, which committee men said soon could be disposed of. None of the committee members, however, would predict how soon the fight would be brought to the floor.

MANY OREGON SUPPORTERS KILLED

WASHINGTON, Feb. 20.—Supporters of General Obregon, candidate for the Mexican presidency and author of the Huerta revolution, clashed last Saturday night in a pitched battle in which a number of the Obregonistas were killed said advices received here today.

The city was thrown into a panic and many on both sides were wounded in the fighting which lasted an hour and a half, the advices said.

The trouble is reported to have resulted from a demonstration for General Obregon, the speaker at a mass meeting. Reports said the police attempted to disperse the crowd when it poured out of the hall where Obregon spoke and the crowd replied with hoots and stones.

The police unable to cope with the situation were said to have sent a call to the San Quentin barracks near the city and a squadron of cavalry was rushed to the scene. Before quiet could be restored, the advices state, firing became general.

SAWHILL READY FOR ANY ACTION

PEORIA, Ill., Feb. 20.—James E. Sawhill, former president of the Corn Belt Investment Co., is back in Peoria today ready to face his accusers in a court of law. Before quiet could be restored, the advices state, firing became general.

YOUTH CHARGED WITH EMBEZZLEMENT

CHICAGO, Feb. 20.—Earl W. Taylor, 19, was under arrest today charged with embezzling \$25,000 worth of stocks and supplies from an electric company for which he was salesman.

Detectives said he confessed and explained that he had spent it on his wife who is a motion picture actress.

Search of Taylor's apartment disclosed he had fifty silk shirts, nine suits of clothing, eleven pairs of shoes and seven overcoats.

FORMER BANK CASHIER FINED

SPRINGFIELD, Ill., Feb. 20.—Wylvan Russell former cashier of the Pana National bank, was fined \$1,500 in federal district court here today on the charge of embezzling \$761 from the Pana Bank four years ago Russell was shown in court, had made good the defalcation. He has been employed in Chicago.

VETERAN LONDON

Liverpool, Feb. 20.—Baron Russell (Edward Richard Russell), long editor of the Liverpool Post is dead at his residence in this city.

BIG FIGHT OVER RAIL BILL OPENS IN HOUSE TODAY

Supporters are Confident Measure Will Win

VOTE WILL BE CLOSE

(By The Associated Press)
WASHINGTON, Feb. 20.—Both sides lined up in the house today for a big fight tomorrow on the railroad reorganization bill. A forerunner, debate was opened informally today by both supporters and opponents of the compromise measure, but the main efforts of both were centered in rallying strength. Supporters and opponents of the compromise would win house endorsement by a substantial margin.

Opponents maintained that the vote would be close. The drafted bill is opposed by a majority of the Democrats and also by members, regardless of political affiliation, friendly toward labor. There also are some Republicans opposed to the general principles of the bill but the majority of them favor the measure.

Three Democratic members were the only ones to bring the subject of railroad legislation before the house today, their discussion serving to indicate the final line-up. Representative Blanton, Texas, denounced labor for its attitude toward the bill. Representative Huddleston, Alabama, condemned the bill as assuring the political defeat of any member voting for its passage and Representative Rayburn, of Texas, a member of the interstate commerce commission that framed the bill, brought forth continued applause from both sides of the chamber by making a strong appeal for adoption of the conference report.

Answering Representative Huddleston attack, Mr. Rayburn declared that it was not the labor section to which Samuel Gompers and labor leaders objected. "There is not a man in this country who could write a bill for return of the roads that does not satisfy Gompers and his assistants," Mr. Rayburn declared. "It has been had enough for the committee to unscramble the situation and it is well for us to remember as the labor leaders know that if the roads are held for two years it means what labor leaders want—government ownership and government ownership only."

MILLION DOLLAR STOCK OF LIQUOR RELEASED

CHICAGO, Feb. 20.—The biggest stock of liquor in Chicago valued at more than \$1,600,000 will be released today by federal authorities after having been confiscated yesterday, following the arrest of two lawyers in what is said to have been a plot to place the whiskey on sale.

Major Dalrymple, prohibition director for the central states said today that Grommes and Ulrich, proprietors of a bonded warehouse in which the liquor was stored, had had no part in the plot. He seized their books last night, but will release them today.

The warehouse sold 400 cases of whiskey on forged permits to the two attorneys by a clerk in the internal revenue department. Major Dalrymple said. The clerk was apprehended and a warrant for his arrest is in the hands of the department of justice.

KAUFF CHARGED WITH LARCENY

NEW YORK, Feb. 20.—Benny Kauff, center fielder of the New York Giants was held in \$1,000 bail for trial when he was arraigned today before Judge Wadhams in general sessions court on a charge of grand larceny and criminally receiving a stolen automobile. Kauff provided bail and was released.

EARTHQUAKE SHOCK

Cadiz, Spain, Feb. 20.—A slight earthquake occurred yesterday at Bonamargosa, Grazelema, and other centers of Andalusia. Considerable damage was done to various hamlets and villages, but no loss of life occurred.

WEATHER AND TEMPERATURE INDICATIONS.

Illinois—Rain in south and snow or rain in north and central portions Saturday and Sunday; colder Sunday.

Gen. Pershing has indicated that he has no thought of entering political life and becoming a candidate for the presidency. A number of political leaders have indicated that they do not believe such a course would be wise. Nevertheless, the "Pershing for President" club continues in existence and press matter is constantly sent to the papers throughout the country.

FIRE LOSSES.

No wonder that the state fire marshal's office has been given the task of educating people along lines of fire prevention. The records show that in Illinois the past month the property loss from fire has exceeded \$2,500,000. The records also show that most fires are preventable and that the losses come thru carelessness or from defective workmanship.

THE DEMOCRATIC OUTLOOK

Representative Democrats of this district were in conference yesterday in Jacksonville. It is said that these party men while feeling quite sanguine about the Democracy of this district, are not exceedingly hopeful about the national situation. It develops that there is no great strife for posts as delegates to the big convention on the Pacific coast.

It is hard to find a Democrat today so ardent in the faith that he expresses the belief that recent happenings at Washington and within the party have been of a kind to make the outlook especially encouraging. In fact, just the opposite view is held, and people are now continually talking about the ease with which the Republican party will again come into control of national affairs.

TEACHERS CANNOT LIVE ON GLORY

(St. Louis Post Dispatch)
The people of St. Louis should be congratulated upon the capable, efficient and economical manner in which the public schools have been conducted. The schools rank second to those of no great city in the world. Their administration has been perfect, save in one respect: Too much of the glorious and flattering record has been gained at the expense of the principals and teachers.

There was a time when the principals and teachers felt themselves compensated by the record they made. So long as their income was sufficient for the needs and requirements of the day they took as much satisfaction out of the glory won as did the superintendent, his staff and the members of the Board.

But times have changed. The principals and teachers can no longer live on empty honors and glorious records. They must have a marked increase in pay.

And the increase must come without delay. They cannot wait until convening of the next Legislature or the unrolling of red tape!

It will not do for the School Board to argue there are no funds available. Make them available. Delay will be dangerous. It may mean the shattering of a system which it has taken years to establish. The public will not tolerate such a sacrifice. Our school system and the capable and efficient force of teachers and principals must be maintained at all cost. It can only be done by granting increases in salaries—not stingy, niggardly increases, but increases that will be in keeping with salaries which teachers could readily obtain in other callings.

Any teacher in the public schools is qualified to take and can successfully pass the civil service examinations. Such positions would immediately bring them a minimum salary of one hundred dollars per month, with good prospects of advancement. We cannot afford to lose such talent. A way must be found to increase the salaries, and that without delay.

CHAMBER OF COMMERCE CONSIDERS CAMPAIGN

Directors Decide Not to Make Membership at This Time—Representative of American City Bureau Here for Conference.

The Chamber of Commerce directors held two sessions yesterday at the call of President Henry Frisch, for conference with Mr. Boyden, a representative of the American City Bureau. One meeting was held at 4 o'clock at the Ayers National Bank building and another session at 8 o'clock at the Chamber of Commerce rooms in the Hooker building.

In Two Hundred Cities. The question under consideration was whether or not an intensive campaign for memberships shall be put on under the direction of the American City Bureau. This organization, with offices in New York and Chicago, makes a special work of the development of Chambers of Commerce and business men's associations. It has been in existence for eight years and has made a successful record in developing business organizations in about 200 cities.

The plan of campaign is to build up city spirit by means of addresses, public meetings and various forms of publicity. In cities where such campaigns are put forward, trained workers spend three or four weeks in disseminating propaganda of this kind. This is all done prior to the time of the canvass for memberships.

The bureau in its contract agrees to assist the organization in securing trained secretaries, and further to keep in touch with the work of the new organizations thru a period of a year or more succeeding the campaign.

Wide Field of Activities. It is the belief of the American City Bureau management that the Chamber of Commerce to function properly must have a large membership and considerable funds. Further, the bureau seeks to impress that the securing of factories and business enterprises of that kind is only one line of work and that a chamber of commerce must have a wider field of activity.

Mr. Boden, who is sales manager for the bureau, which has 75 or 100 men employed, is a man of liberal education and wide experience. He impressed Jacksonville men who met him yesterday with his extensive knowledge of business affairs. However, the directors after going into the matter quite thoroughly, the Friday night session lasting until 11 o'clock, determined it would not be advisable at this time engage in a campaign of the kind that the American City Bureau has proposed.

RETURN FROM DETROIT

Mr. and Mrs. Dillon Bridgman, who were married in Jacksonville ten days since, returned yesterday from a wedding trip to Detroit and other northern cities. For a short time they will be with relatives in Jacksonville and then will live on Mr. Bridgman's farm six miles northwest of Jacksonville in the Ebenezer neighborhood.

PUBLIC SALE

Delbert Erixon has announced a public sale at the Doyle farm one mile east of the Hart school house, 5 miles northwest of Murfreesville, to be held Wednesday, Feb. 25, beginning at 10:30 a. m. Mr. Erixon will sell horses, mules, cattle, brood sows, timothy hay and farm implements. It will be a fine chance for buyers.

SPRINGFIELD MAN DIES FROM INJURIES

Sustains Fall While at Work on Centennial Building—Was Well Known Here Where He Was Employed by J. M. Vasconcellos.

Springfield, Ill., Feb. 20.—William Woertendyke, 217 North Grand avenue, yesterday aged 48, died at 5 o'clock yesterday afternoon at St. John's hospital as a result of injuries suffered four hours earlier, when he fell while at work on the new Centennial building. His skull was fractured at the base and his right side crushed.

The accident happened shortly after Mr. Woertendyke had returned to work after the noon hour. He fell a distance of twenty-five feet.

The decedent, a life long resident of Springfield, was a prominent member of the Eagles' lodge and Modern Woodmen of America.

Surviving are his sister, Mrs. C. F. DeFrates, with whom he resided; and two brothers, Robert and Howard Woertendyke, both of Chicago.

Mr. Woertendyke has for several years been employed by John M. Vasconcellos of this city as a stone setter. He completed the stone work on the Trinity church here last Saturday and went to Springfield to do some work on the Centennial building. Mr. Vasconcellos has a large contract at Rushville and he and Mr. Woertendyke were going there in a few weeks to begin work.

Mr. Woertendyke has done considerable work in Jacksonville, working on the Northminster church, Illinois Woman's college gymnasium and Barker Hall.

Mr. Vasconcellos went to Springfield yesterday to attend the funeral.

ROUTT HIGH WON FROM PEARL HIGH

Defeat Pike County Team by Score of 24 to 16—Local Tossers Played Fast Game and Out-classed Visitors.

Routt High defeated Pearl high school in Liberty hall Friday night the final score being 24 to 16. Coach Conlin's team played a fast game both on offense and defense and their speed bewildered the visitors.

Zell, Carson and Costello were the point makers for Routt. While Coach Conlin's regular guards, Gwynn and Woulfe were both out of the game Mandeville, Wahlen and Dowling proved worthy substitutes and had no trouble in stopping the visiting forwards.

Clark, Wheeler, Grafford and Garrison scored the points for Pearl. The game was witnessed by a large crowd and the work of the Routt team gave them many opportunities to make a noise. The score:

Routt	F.G.	F.T.	Ts.
Zell, f.....	3	2	8
Carson, f.....	5	0	10
Costello, c.....	3	0	6
Wahlen, g.....	0	0	0

Where Can I Find Relief from Itching, Terrifying Eczema?

This Question is Ever on the Lips of the Afflicted

Eczema, tetter, erysipelas, and other terrifying conditions of the skin, are deep-seated blood diseases, and applications of salves, lotions and washes can only afford temporary relief, without reaching the real seat of the trouble. But just because local treatment has done you no good, there is no reason to despair. You simply have not sought the proper treatment, that is within your reach. You have the experience of others who have suffered as you have to guide you to a prompt riddance of blood and skin diseases. No matter how terrifying the irrita-

tion, no matter how unbearable the itching and burning of the skin, S. S. S. will promptly reach the seat of the trouble and forever rout from the blood every trace of the disease, just as it has for others who have suffered as you have. This grand blood remedy has been used for more than fifty years, and you have only to give it a fair trial to be restored to perfect health.

Our chief medical adviser is an authority on blood and skin disorders, and he will take pleasure in giving you such advice as your individual case may need, absolutely without cost. Write today describing your case to Medical Department, Swift Specific Laboratory, Atlanta, Ga.

LESTER REED'S HOG SALE BROKE RECORD

Sale of Duroc Jersey Sows Topped Over \$12,000 as Many Buyers Here From Other Cities and States—Howard Stevenson Pays Top Price of \$1,000.

Lester Reed's annual sale of Duroc Jersey sows held at his farm southeast of the city Friday, broke all former county records for similar sales. The sale totaled \$12,820 and the prices paid show the high regard in which Mr. Reed's stock is held by hog breeders throughout the country.

Howard Stevenson, a prominent young farmer residing west of the city, paid the top price of the day, \$1,000. For a number of years Mr. Stevenson has been giving special attention to hog raising and that he knows the value of good stock is shown by his willingness to pay the above price.

It is gratifying to know that such an animal is to remain in Morgan county for it will raise the standard of the county breeding appreciably.

Dr. G. H. Kopperl also purchased two fine animals and these will be placed with Mr. Stevenson's herd.

The arrangements for the sale were made with great attention to detail by Mr. Reed. He has held a number of sales in the past and also attended many big sales in other parts of the country. Hence he has adopted every modern idea that he has seen in connection with sales.

Yesterday the ladies of Ashbury church served the lunch. This was furnished free, Mr. Reed paying the ladies and giving it to those in attendance. The lunch was put up in individual boxes, one for each person, and contained all of the good things of the season. Mr. Reed also furnished El Maccio cigars and apples during the progress of the sale.

Twenty-three cataloged animals were sold yesterday and averaged \$215.75. In addition to these there were twelve extras sold which were not cataloged which averaged \$115.41.

L. L. Seeley of White Hall was the auctioneer on the block. C. F. Wright worked in the ring. H. E. Kitchner and W. E. Barrows served as clerks.

Among the field men present at the sale were H. E. Browning of the Duroc Digest, Minneapolis, Minn., R. L. Comer of the Duroc Review Bulletin, Chicago, A. Y. Bartholomew of the Prairie Farmer, Chicago.

The prices prevailing at the sale were such that Mr. Reed may well feel gratified at the result. It shows what earnest endeavor and intelligent work will bring to the sale of hogs.

Mr. Reed has devoted much time and money to bringing his herd up to its present high standard and today is recognized as one of the leading Duroc breeders of the country. The buyers and prices are given hereunder.

ELECTION TODAY

Attention is again called to the fact that the polls for the election today will open at 11 o'clock and close at 4. The law provides different hours for school elections than for those observed in other elections.

LIGHT COMPANY TO NEW QUARTERS

Work of Removing Office From South Main Street to North Side Building is in Progress.

For a long period changes have been in progress at the former Jacksonville National Bank building on the north side of the square, which is to become the office of the Jacksonville Railway & Light Co. These improvements have been greatly delayed because of the non-receipt of materials. Now, however, the work has been practically completed and Supt. Gray had a force of men yesterday moving the fixtures from the South Main street building to the new office.

DEFENSE OPENS IN CAILLAUX TRIAL

PARIS, Feb. 20.—That he had never channeled a policy of closer relations with Germany, but one of "European conciliation" and might have been guilty of imprudence and impulsiveness but never of intelligence with the enemy, proved to be the opening defense of Joseph Caillaux, former premier, charged with treasonable dealings with the enemy, on the resumption of his trial today before the senate, sitting as a high court.

The examination of M. Caillaux over his trip to South America late in 1914 and early in 1915. The name of James Minotto, son-in-law of Louis F. Swift of Chicago, who was interned in the United States as an alien enemy in 1918, was incessantly mentioned throughout the interrogations of the senate, who presided over the court. M. Caillaux in reply to the questions of M. Bourgeois claimed to have been fooled by Minotto as numerous others had been fooled, he said. He had every reason to believe Minotto was respectable, he said, as he had been vouched for by many prominent Frenchmen. He declared he was introduced to Minotto by Edwin V. Morgan the American ambassador at Rio Janeiro.

SOCIALIST PARTY OFFICER ON STAND

Albany, N. Y., Feb. 20.—Council for the assembly judiciary committee trying the five suspended Socialist assemblymen on charges of disloyalty today bombarded Otto Branstetter, national secretary of the Socialist party with questions in an unsuccessful attempt to obtain admission that the party contemplated use of the general strike to gain control of the United States government.

GREENE COUNTY HOME DESTROYED BY FIRE

Home of Lewis C. Doyle, North of White Hall, Completely Destroyed by Flames Thursday—Juniors to Present Play—Other News Notes.

White Hall, Feb. 20.—The elegant farm residence of Lewis C. Doyle, located four miles north of White Hall was completely destroyed by fire which originated in the attic about noon Thursday, and before being discovered the second story of the two-story structure was in flames. Mr. Doyle was ill and barely able to be up, and she and her son Ray had a narrow escape, being able to get out with only their clothes. Nothing was saved, excepting a few articles of furniture that were damaged in being taken out under difficulty. The total loss is \$8,000, with only \$2,500 insurance.

The junior class of the high school will present "The College Town" in Princess theatre on Monday night. There are thirty in the cast, and the play is under the direction of Miss Beatty and Mr. Wiener of the high school faculty. The senior class play will be presented on March 22nd under the direction of Miss Bernice Huff, but the title has not been given out.

Roy Lewis is enroute from Winnipeg, Canada, on account of the serious illness of his mother, Mrs. Lavina Lewis.

Eugene W. Amberg arrived Thursday to take third trick at the interlocking tower during the illness of S. P. Bartley. It will be remembered that the depot at Godfrey was destroyed by fire on March 28, 1918, and that a man was badly hurt. This man is the same Mr. Amberg now here. He was discharged by his physician only a month ago, and now gets around with the use of a cane. He was a signal maintainer at the time of the Godfrey fire, and fell from the top of a telegraph pole, breaking both legs and one arm and injuring his back. During the nearly two years that he was laid up with his injuries he learned telegraphy, and has now been assigned to service in that capacity. His home is at Lincoln.

TWENTY WITNESSES TESTIFY FRIDAY

Government Hopes to Finish Their Case in Newberry Elections Trial by Next Saturday.

Grand Rapids, Mich., Feb. 20.—The long third act of the Newberry elections trial drama began to draw towards a close today. At the end of another rapid action scene in federal court, Frank C. Dailey said that he hoped to finish the government's case by a week from tomorrow. An even twenty witnesses were heard on this afternoon and all except one of the unfinished lines from Thursday were finished during the day.

The afternoon proceedings were kaleidoscopic in color and action. They ranged from a remark about "nice money" credited to George John of Mt. Clemens by Albert E. Stevenson, former Democratic state chairman, who what Gladstone Beattie of Paw Paw said when he gave some Newberry cards to Gene Duffy, village constable, Hartford, Van Buren county, Duffy said Beattie promised to "make it right" and later mailed him \$10.

Two witnesses swore that Beattie told them he got enough from the Newberry committee to pay all the expenses of his own primary campaign for county clerk as well as one of these men work cost. Beattie as saying "the Newberry committee thought his bill expensive."

Then there was introduced a letter which Charles Floyd, head of the Newberry office in Grand Rapids wrote to Beattie after the primary asking for a report of his expenses and estimating that they would amount to "about \$100."

Cross-examination by Beattie's attorney, William Barnard, brought two stinging rebukes from Judge Sessions. Once Barnard announced rapidly that the witness had supported Henry Ford in 1918 and was told that the court did "not like the kind of practice" which introduced improper remarks by counsel.

Again Barnard's about some affidavits circulated about Beattie in the campaign, led the judge to exclaim that "justice court" methods "would not be tolerated."

There was also some more testimony this afternoon concerning Charles R. Carpenter, a Grand Rapids banker defendant. Yesterday a witness said that he failed to get some campaign money which Carpenter promised him, but today's witnesses told an opposite story. One said Carpenter promised him additional pay for getting signatures to Newberry petitions "if we land our man" and came back after the primary with \$5 more. A Grand Rapids constable followed this by relating that while he was being taken to a street car, Carpenter asked him to work for Newberry and gave him \$5 as the car bore the other way.

"I never saw him again during the campaign and I never did any work for Newberry either," said the constable.

SUCCESSFUL RECITAL BY ADVANCED STUDENTS

The Advanced students of the Illinois College Conservatory of Music gave a very successful recital last evening at Recital Hall before a good sized audience. The students all reflected the careful training of their instructors, and are to be commended on the quality of the program which they presented.

Funerals

Funeral services for Mrs. Martin Joyce were held from the Church of Our Savior at 9 o'clock Friday morning. Rev. Father F. Formaz said requiem high mass. Burial was in Calvary cemetery the bearers being, Gratian, John, Austin and William Joyce, for sons of the deceased, and Dr. A. C. Kingsley, Walter Lonergan, Harry Cain, L. Henry, Charles West and Henry Shanahan.

Keil.

Funeral services for Harry Keil were held from the undertaking parlors of Williamson & Cody at 2:30 o'clock Friday afternoon in charge of the Rev. A. E. Powell, pastor of Woodson Presbyterian church. Music was furnished by William Colton, Mr. Powell and A. G. Cody with Miss Carrie Glasgow as accompanist. The flowers were cared for by Mrs. Eliza Francis and Miss Emma Francis. Burial was in Diamond Grove cemetery, the bearers being Howard McGhee, John Lewis, Samuel Butler, Lee Shawman, John Blimling and William Francis.

Suiter.

Funeral services for Floyd Suiter were held from the residence of his parents, Mr. and Mrs. J. B. Suiter, 332 Franklin street at 11:30 o'clock Friday morning in charge of the Rev. Myron L. Pontius pastor of Central Christian church. Music was furnished by the Pythian quartet composed of Dr. C. B. Magill, James Guyette, Maurice Peckham and Prof. H. C. Hopkins.

There were many beautiful floral offerings and these were cared for by Misses Bertha Daggett, Ruth Ferguson, Irene Ferguson, Eleanor Luder, and Mrs. Walter Alquist, Dorris Floreth, Grant Ferguson, Harry Timmons, Roy McGuire and Clarence McCarty.

Social Events

AD SOCIAL 4N Wild Flowers

Subject for South Side Circle. Mrs. E. L. Kinney entertained the South Side Circle at her home on South Prairie street, yesterday afternoon. The subject was "How to Know Wild Flowers." Mrs. Walt read an instructive paper on the wild flowers commonly seen in the country.

The members and guests then enjoyed a social hour during which Mrs. Kinney served refreshments.

Missionary Society Met Thursday Evening.

The Young Women's Foreign Missionary Society of Grace M. E. church, met at the home of the Misses Groves, on Mound avenue, on Thursday evening. After the devotionals there was a short business meeting following which Miss Leta Groves told in an interesting way about conditions in Korea. Miss Huelitta Deschamps sang in a delightful manner a French song. A social hour was enjoyed and delicious refreshments served.

Washington Social at Westminster Church.

The C. E. of Westminster church held a very delightful Washington Social last evening in the church parlors which had been decorated for the party with flags and bunting. Hettie Pregraff, Susan Reinhart and Hazel McCormick were the committee which has charge of the entertainment. About fifty of the young people of the church were present and spent the evening in games and contests. Light refreshments were served.

JOB COATES RESIDENCE ENDANGERED BY FIRE

The residence of Job Coates, north of Orleans caught fire about 2 o'clock Friday afternoon from sparks from a burning chimney.

Miss Sue Dickson called Miss Wagner the night before and told her the house was afire and Miss Wagner quickly called the neighbors. Within a few minutes about sixty men were on the scene and the blaze was extinguished. It was necessary to chop a hole in the roof as the fire had gotten under the roof into the rafters.

There was also considerable damage from water. The loss is fully covered by insurance.

Mr. Coates and Miss Dickenson wish to thank the neighbors and Miss Wagner for their prompt assistance which undoubtedly saved the dwelling from total destruction.

FRED BRAY LEAVES FOR WYOMING

Fred Bray one of the best known students at Illinois College left last evening for Wheatland Wyoming where he has taken advantage of the government's special offer to returned soldiers in reducing the time necessary to prove a claim. The time spent in service. The time necessary to prove a claim is three years but as Mr. Bray served two years in the army his time will be reduced to six months, since only six months a year in residence is required.

Mr. Bray came back to College last Fall after having spent two years in service, the greater part of that overseas, and finished his college work at the end of the first semester. In January, Fred first registered in Whipple Academy in the Fall of 1909 and has been a student on the Hill ever since except for the years spent in service. He has been very prominent in the school life on the "Hill" and at the Conservatory and will be greatly missed.

PITTSFIELD WON FROM JACKSONVILLE

Defeated Locals by Score of 30 to 10—Coach Hufford's Five Was Made Up Almost Entirely of Second String Men—Lucas Plays Second Half and Makes Nine Points.

Coach Hufford's crazy quilt basketball five was defeated by Pittsfield high in David Prince gymnasium Friday night by a score of 30 to 10.

Only one regular, Arthur Green started the game for Jacksonville. All of the other men are out because of injuries or sickness.

The local lads put up a hard fight but could not hold the stronger and experienced visitors who have one of the strongest teams in this part of the state.

At the end of the first half the score stood 18 to 1 in favor of Pittsfield, Hunt having tossed a lone free throw. In the second half, Capt. Lucas who has been ill for several weeks got in the game.

His work showed what would have happened to Pittsfield if the same team had been on the floor that played against Waverly. Lucas proceeded to get busy immediately and scored nine points.

However, after he had tossed a couple of baskets, Pittsfield put two men covering him and played him and not the ball through the remainder of the game. They could not entirely stop him and he got away for several points.

All of the local men played hard but it was a case of their being younger and being outclassed in weight, experience and ability. The deserve credit for holding their opponents to such a low score.

Those who have seen Pittsfield play this season said they did not play as good a game last night as they have in other games. They were unable to make long shots and had to work the ball right up to the basket before they could count. Walsh and Plattner played the best game for the visitors. The score:

	F.G.	F.T.	T's.
Hunt, f.	3	1	1
Lucas, f.	3	3	9
Green, f.	0	0	0
Goebel, c.	0	0	0
Laney, g.	0	0	0
Gard, g.	0	0	0
Totals	3	4	10

	F.G.	F.T.	T's.
Pittsfield, f.	1	0	2
McConnell, f.	1	0	2
Kerr, f.	1	0	2
Plattner, f.	5	4	14
Butler, c.	0	0	0
Walsh, g.	4	0	8
Koepping, g.	2	0	4
Totals	13	4	30

Referee—Harmon, Illinois College.

ELECTION TODAY

Attention is again called to the fact that the polls for the election today will open at 11 o'clock and close at 4. The law provides different hours for school elections than for those observed in other elections.

ATTENDED FUNERAL AT FARMERSVILLE

John M. Stewart and sons, Byron, William and John, residing on the Mound road, returned last night from Farmersville where they went to attend the funeral of the former's nephew, Raymond Browning. It was after a brief illness of pneumonia that Mr. Browning passed away and the funeral services were held Friday afternoon, with the Odd Fellows lodge in charge. The case is especially sad because a sister of the deceased, Mrs. Jennie Lohman, died Monday morning at 10 o'clock, leaving three small children. Mr. Browning is survived by his wife and one son, seven years of age.

PROBATE COURT

In the conservatorship of Mary Garden, letters were issued to Mary W. Osborne.

In the estate of Fred Yording, the appraisal bill was approved.

In the estate of Lucinda Wintertbottom, the final report of Charles F. Doying, administrator, was approved.

In the estate of Mary Brock, the final report of Dr. J. R. Harker, administrator, was approved. The report showed total receipts of \$12,498.12.

UNION BAPTIST SUNDAY SERVICES

There will be services both morning and evening at Union Baptist church Sunday in charge of the Rev. F. M. Crabtree. The morning sermon will be at 11 o'clock and the evening sermon at 7 o'clock.

SHIP GOODS INTO MANY STATES

Copp & Frank Do an Extensive Manufacturing Business in Special Line.

It is likely that comparatively few people realize the extent of the business conducted by Messrs. Copp & Frank at their East State street establishment. The firm makes a specialty of the manufacture of display fixtures especially for laces, trimmings and braids. The goods offered are included in the "Simplex" system, which consists of especially made cabinets, lace cards, display fixtures etc., which taken together afford a perfect method of selling, stock-keeping and display.

The business has been developed in the last eight or ten years to such an extent that shipments are made into almost every state in the union. A great deal of business is done thru jobbing concerns and extensive sales are also made direct.

Deaths

Roach.

Thomas Roach son of the late Thomas and Ellen Roach, passed away at the Passavant hospital Friday morning at six o'clock after a brief illness of influenza and pneumonia.

Deceased was born and reared in Jacksonville and died at the age of 52 years. He is survived by three sisters, Mrs. W. H. Anderson of this city, Mrs. Kathryn Hay of Springfield, Ill., and Mrs. M. C. Story of Washington, and one brother, P. W. Roach of Sacramento, Cal.

Mr. Roach was a devoted member of the Catholic church.

No arrangements for the funeral have as yet been made and on account of serious illness at the home of his sister, Mrs. W. H. Anderson, the remains were taken to the O'Donnell undertaking parlors, where friends wishing to view the remains, may do so.

PHI ALFA

The remains of Samuel E. McCullough who died in Chicago, arrived in the city over the Wabash at 12:45 o'clock Friday afternoon and were taken to the undertaking parlors of W. W. Gillman. Funeral services will be held from the parlors at 9 o'clock this morning in charge of the Rev. Myron L. Pontius. Burial will be in Diamond Grove cemetery.

BE HELD TODAY

The Phi Alpha Literary Society held a regular meeting in the Society hall last evening. The regular program was dispensed with and the first part of the evening given to debate. The second part of the evening was taken up with the discussion and adoption of a revised constitution. A committee appointed to investigate and report on the condition, and decorating of the hall consisted of James Barnes, Henry J. Harker and Clarence Spaulding. William Hegstrom was taken into membership in the society. This brings the membership up to 49 active members.

DR. THOME DIED IN CHICAGO HOSPITAL

Physician Was Known Here in Earlier Days and Graduated from Illinois College in 1880.

Chicago papers announce the recent death of Dr. Arthur G. Thome, who has been a resident of Chicago for thirty-seven years. His death occurred at the Chicago University hospital and is said to have resulted from overwork during the influenza epidemic. Dr. Thome was known to a number of residents of Jacksonville, as he graduated from Illinois in the class of 1880.

Other graduates that year were Congressman Richard Yates, of Springfield; Walter W. Carter, this city; George G. Waite, Lincoln, Neb. The class at one time included Albert Crum of this city; Edward Goff of Prentice, W. E. Williams of Pittsfield and a number of other men of prominence.

Matrimonial

Brookhouse-White.

The marriage of Omer Brookhouse of Meredosia and Miss Illga White of Chapin was solemnized at Bluffs Thursday night, with Rev. T. J. Soerensen officiating. A large company of relatives and friends witnessed the interesting ceremony, as both the bride and groom are well known in Scott and Morgan counties.

Mrs. Brookhouse has been teacher of the third and fourth grades at Meredosia for several years. The groom is a successful farmer and business man, and the new home is to be established on a farm northeast of Meredosia.

FUNERAL WILL BE HELD TODAY

The remains of Samuel E. McCullough who died in Chicago, arrived in the city over the Wabash at 12:45 o'clock Friday afternoon and were taken to the undertaking parlors of W. W. Gillman. Funeral services will be held from the parlors at 9 o'clock this morning in charge of the Rev. Myron L. Pontius. Burial will be in Diamond Grove cemetery.

PHI ALFA

The Phi Alpha Literary Society held a regular meeting in the Society hall last evening. The regular program was dispensed with and the first part of the evening given to debate. The second part of the evening was taken up with the discussion and adoption of a revised constitution. A committee appointed to investigate and report on the condition, and decorating of the hall consisted of James Barnes, Henry J. Harker and Clarence Spaulding. William Hegstrom was taken into membership in the society. This brings the membership up to 49 active members.

With the Sick

E. T. Hudson, deputy county clerk, resumed his position in the office after a number of days of illness. Several members of Mr. Hudson's family have also been ill but are now improved.

Miss Katie Vee Clarkson, 350 West College avenue has recovered from her recent illness and has taken up her work at Browns Business College.

Mrs. C. O. Malone who has been quite ill at her home in the Cherry apartments, is now convalescing and hopes to soon be able to get out.

Mrs. Winifred Harris, 710 West College street, is able to be up and around after an attack of influenza.

Lawrence Flynn from North East of the city was a caller in the city yesterday.

Mrs. Grover Smith, of Chapin, was a shopper in the city Friday. Fred August has been confined to his home on East State street for several days on account of illness.

nue. 2-8-17

ROTARY CLUB AIDS BOY AND GIRL MOVEMENT

Accepts Offer of Camping Site on Mercedosa Bay For Use of Boys' and Girls' Organizations—Vincent Riley Discusses Good Roads Question.

The Jacksonville Rotary club has definitely decided to lend its support to the Boy Scout movement and to the upbuilding of similar organizations. Rotary clubs the country over have interested themselves actively in the Boy Scout movement and in other efforts for the welfare of boys and girls.

Some time since the club appointed a Big Brother committee as the first step toward an organized effort in support of the movements mentioned. Recently Vincent Riley and Dr. A. H. Doller, who have erected a commodious cottage on Mercedosa bay, informally offered to deed to the Rotary club a strip of ground adjoining their property, to be used as a camping site for the various boy and girl organizations in which the club may become interested.

It was suggested that a committee from the Rotary club visit Mercedosa and inspect the property. Accordingly Mr. Riley, H. M. Capps, W. L. Fav, Rev. H. M. Pontius and Rev. W. E. Collins made the trip to Mercedosa Thursday afternoon. As a result of that expedition Mr. Capps, who is the president of the Rotary club, and Mr. Fav, the vice-president, decided to join with Dr. Doller and Mr. Riley and offer to the club three lots instead of one.

A report of this offer was made at the Friday luncheon of the Rotary club by Frank J. Heini, who is the chairman of the Big Brother committee. It is the expressed hope of the donors that the acquisition of this favorable camping site by the club will give an impetus to the whole movement which will be very beneficial.

Finance Committee Suggested.

As soon as the report had been made the offer was accepted with some words of appreciation and John S. Hackett made the motion that a committee on finance be appointed with the end in view of erecting a suitable building on the lots.

On motion of Judge Samuel it was also determined to immediately appoint a committee on building and grounds.

Mr. Riley, Mr. Fav and Mr. Capps were all called upon and briefly stated their ideas with reference to this project.

The greater part of the time at the luncheon was taken up in the discussion of this boy and girl movement, altho the announced program was a presentation by Mr. Riley of some facts with reference to the good roads movement. Mr. Riley is president of the Morgan county Good Roads association. He spoke briefly and said among other things:

"I am not here to tell you anything new about the good roads movement, for you are all familiar with it and with the needs for Morgan county. It is possible, however, that all may not recognize the advantage of having marked trails into this city. There are two principal trails, the Ocean to Ocean highway and the Mississippi Valley Highway, which extends from a point several miles north of Duluth down to New Orleans in the south.

"The fact that H. E. Chenoweth of this city is secretary for two divisions of this Mississippi Valley highway means that for a distance of 240 miles at every turn there is a steel signboard indicating the distance to Jacksonville. This in itself constitutes a valuable bit of publicity for Jacksonville.

"Talking about trails reminds one that within the state of Illinois there are 90 such designated trails and their establishment has been very helpful in the good roads program. We must acknowledge that about the worst roads in Morgan county are within four miles of this city.

Good Road Officers Needed.

"Some definite movement

should be made for the betterment of these roads. It is possible that the tax rate in road district No. 7, in which Jacksonville is included, is not high enough to provide a sufficient fund to keep these roads in good condition. If the rate is not high enough it should be increased and if sufficient taxes are already being raised, the money should be expended in such a way that the necessary work could be accomplished.

"You men here in Jacksonville have it in your power to see that such men are selected as road officials as will carry on the work efficiently. It is a matter of great importance to the residents of this city to have the highways leading into Jacksonville put in a condition comparable with the best highways in the country."

Guests of the club yesterday were George Hackett of Decatur; H. K. Chenoweth and Hugh Green, Jacksonville, and Mr. Boyden of Chicago, representing the American city bureau. The communication referred to above, offering property on Mercedosa bay to the club was as follows:

Grounds Offered.

February 19, 1920.

To the Big Brother Committee of the Jacksonville Rotary Club, Jacksonville, Ill.

Gentlemen:

The undersigned tender the Rotary club, for use of the Boy Scouts of America, and other approved organizations, a parcel of land 300x400 feet, located near the cottage of Messrs. Riley and Doller, on Mercedosa bay; the land to be used as a camping ground site for a cottage which may be built later, for headquarters for the Camp Fire association, etc., for members of the Boy Scouts and Girls their use, regardless of creed, under control of rules and regulations which may be adopted later by the club, in conjunction with approved organizations.

The land is to be given to the Rotary club in trust for the above boys and girls and other organizations of children. In event the above organization cease to exist actively, the parcel of land is to revert to the donors or their heirs.

For the purpose of this trust we suggest that the Farmers' State Bank & Trust Co. be requested to act as holder of the title to the land for the purposes named, and to carry out the terms of a more precise contract to be drawn later.

Vincent Riley,
A. H. Doller,

ILLINOIS COLLEGE READY FOR CARTHAGE

Coach Harmon's Squad Will Make Desperate Effort to Defeat Visiting Team Tonight—Carthage Strong and Has Only Lost One Game.

Coach Harmon's Illinois College basketball squad is ready for the game with Carthage college which will be played in David Prince gymnasium this evening.

Carthage is one of the strongest teams Illinois has had to face this season. The visitors come here with a clean slate except for a defeat at the hands of Hedding.

This game was a hard and fast one and was captured by Hedding by a score of 22 to 13. Among other victories of Carthage this year is one over Macomb Normal and two defeats of Iowa Wesleyan.

During the past week Coach Harmon has been shifting his men in an endeavor to get a winning combination. The first of the week the coach took Andrew from guard and placed him in a forward position.

All season Andrew has been playing a fast game at running guard and has shown a consistent eye to the basket. Apparently he is going to fit into the position in good shape.

Cully has been shifted to Andrew's position at running guard. With his speed Cully should be able to carry the ball down the floor so fast that the opposing team can't see him.

What Coach Harmon wants most of all, however, is victory. He realizes that a victory will do more than any other one thing to give the team confidence and "pep." Several games this season have been lost by narrow margins.

These have been games too, that should have been placed in the winning column and the team been able to take advantage of its opportunities. The men believe that they have a good five if it can get to going. Everybody is hoping that the game tonight will be the turning point and that the team will develop the "punch" that has been lacking all season and start it on a winning streak.

The lineup announced by Harmon to start the game tonight follows: Andrew and Allen forwards; Mellon center; Davis and Mutch guards. Play will start promptly at 8 o'clock and Coach Hufford will referee.

PISGAH CHURCH

There will be services at Pisgah again Sunday after being closed for two weeks on account of influenza in so many of the homes. The saddest home in the community is the home of Mr. Ed Decker. Within the past week three of the children have been called to their Home above to be with their Heavenly Father, and their bodies were laid to rest in Antioch cemetery. The three children were the baby girl, Dorothy Lee, the youngest boy, Ezra, and the second oldest girl, Bertha. The other three children and the mother have had a long and severe illness, but it is hoped they are well on the way to health again. The father has not been at all well but has kept up in order to do what he could for the other suffering ones. All in the community extend their most earnest sympathies to the Decker family. Others of the community are reported as being on the mend or out again.

SPECIAL PROGRAM IN HONOR OF WASHINGTON

Rev. F. B. Landis, Pastor of Westminster Church, Announces Special Program for Tomorrow Night—Choir to Furnish Special Music.

In accordance with a general custom of observing the anniversary of the births of some of America's great men, Rev. E. B. Landis, the pastor of Westminster church, is planning for a patriotic service Sunday night. The church choir is arranging a special musical program for the occasion and altogether a program of more than usual interest is promised.

Rev. Mr. Landis was fortunate in securing the services of H. H. Bancroft as the speaker of the evening. Mr. Bancroft has made a careful study of Washington and in these days when there is so much discussion of the things that are fundamentally American, it is well to look at this great American for an evening.

The public is most cordially invited to the service, which will begin at 7:30 o'clock.

CLOSING OUT SALE

Tuesday, Feb. 24th, 10 a. m., 2 miles east of Pisgah; horses, mules, cows, hogs, hay, straw, farm implements and machinery.

T. B. BUCHANAN, Jr.

GIRLS AT ILLINOIS ORGANIZE NEW SOCIETY

Organization will be Known as "Senate"—Program was Given Friday Afternoon.

A new girls' society in Illinois College, called the "Senate," was formally launched Friday afternoon when seventeen girls signed the constitution as charter members. Its aims are strictly democratic—any girl whose scholarship is sufficiently high may apply for membership, and all new girls will be invited to become members.

The girls forming the new society feel that, with the increasing importance of women in the industrial and political world, should come, increased knowledge of current political and economic conditions. For this reason their object in the society is two fold, the study of present-day political problems and current literature, and the social welfare of their sister society members. They have some very definite plans looking toward the accomplishment of both these objects during the remainder of the year.

The program rendered Friday afternoon was interesting; but it was of a more miscellaneous character than those planned for the rest of the year, at each of which some one subject will be presented and discussed in detail. Following is the program: Devotional—Led by Chaplain. Current Events for the Week. The Industrial Situation—Georgia Shaver. Wilson and Lansing—Fay Hart.

Foreign News—Ruth Irving. Parliamentary Drill—Led by Opal Marshall.

Current Poetry—Mattie Reische.

Debate—Resolved: That Illinois College Should Adopt the Honor System.

Affirmative—Mable Ruyle, Irene White.

Negative—Mary Hopper, Sylvia Taylor.

Extemporaneous Speech—"When a Fellow Neds a Friend," Ruth Bates.

Harmony Lodge No. 3 A. F. & A. M. will hold a special meeting this evening at seven o'clock. Work welcome. brethren.

A. M. Robinson, W. M. John R. Phillips, Secy.

TWO CARS OF COAL DERAILED FRIDAY

Two cars of North Bound Burlington Train Derailed North of City—Traffic blocked for Several Hours.

Two loaded coal cars on Extra Burlington north bound freight No. 6115 were derailed just north of the overhead bridge on North Main street, Friday afternoon about 3:30 o'clock.

It is not known what caused the accident. The wrecker from Beardstown came to the scene of the wreck and cleared the tracks. The derailed cars blocked both of the tracks and traffic was delayed for some time. No. 48 and No. 11 passenger trains were delayed about one hour by the wreck.

Miss Fannie Masters, who is teaching at Markham, went to Greenfield yesterday to attend the funeral of her brother-in-law, Ralph Ford.

DEMOCRATS HELD CAUCUS HERE FRIDAY

Representatives of Various Counties in This Congressional District Met at Pacific Hotel Friday for Conference.

The Democrats representing the various counties of this congressional district met in conference at the Pacific hotel Friday. The meeting was called for the purpose of agreeing upon delegates from this district to the national Democratic convention to be held in San Francisco. The committee, after thoroughly canvassing the situation, decided to support John Schultz, of Beardstown and Judge Harry Higgins, of Pittsfield, as candidates for delegates. They also agreed upon J. M. Page of Jerseyville and Louis D. Hirschheimer of Pittsfield as the alternates.

The counties represented yesterday and the representatives were as follows:

Calhoun—James McNabb.
Green—L. D. Hirschheimer.
Pike—Judge Edward Dooney.
Scott—J. W. Kellum.
Case—John Schultz.
Mason—Matthew Bolan.
Morgan—Haller Higgins.
Brown, Menard and Jersey counties were not represented.

In addition to this matter of selecting delegates the members of the committee considered other matters of considerable party interest. Hon. W. H. Deltrich of Beardstown, Owen P. Thompson, M. F. Dunlap and Bernard Gause of Jacksonville, were among those who attended the conference.

CAMPAIGN AMONG FARMERS CLOSES

Total of 1,009 Names Enrolled for Membership in Farm Bureau and Illinois Agricultural Association

When the campaign for members in the Morgan county Farm Bureau and the Illinois Agricultural association came to a close last night, a total of 1,009 names had been enrolled. This result is considered very satisfactory in view of present health conditions. It was not possible to call upon every farmer in Morgan county, because in many instances illness in the family forbade, but it was not the intention of the solicitors to overlook anyone.

G. B. Kendall, county agent, stated last night that altho the active campaign for members had ceased, that it was the intention to keep a supply of the blanks at his office in the court house, and farmers may enroll there at any time.

In a later issue will be given the number of memberships secured in the various townships of the county, this data not being available last night.

TO INSTALL MOVING PICTURE MACHINES

The work of installing the moving picture machines at the Grand Opera house will begin Monday and it is the expectation of the management that the theater can be opened to the public Thursday. The picture machines were known as the Simplex and of the latest model, arrived in the city from St. Louis Friday and a man is expected to arrive Monday to begin the work of installation.

F. J. WADDELL & CO.

F. J. WADDELL RETURNS FROM VACATION IN WEST

F. J. Waddell is again in the city after a stay of eight weeks in the west, and reports a very pleasant vacation. A part of the time was spent at Los Angeles, and a number of other western cities were visited. Mr. Waddell reports that there is great prosperity in the west at the present time, the number of tourists the past few months being very large. Mrs. Waddell and daughter, Miss Frances, who have been in the west for some months, will not return to this city for several weeks.
